Minutes of Previous Meeting

The draft Minutes of the previous meeting were accepted as a true record of the meeting and duly signed.

Grading of Submitted Carpet Qualities

A total of 16 carpets were submitted for grading (including 12 for ECS).

Other Business

Chris Mannix will be asked to change the ACCS program settings to better identify Related Products.

The Secretary reported on discussions with CSIRO concerning the preparation of a technical assessment of carpet slip resistance test results.

A report prepared by the Chairman, titled Design and Performance Assessment of Carpet Constructions to Comply with the Access Code, will be distributed with the draft minutes. (The report is attached).

The Panel agreed to investigate claims that some low DPF carpets are difficult to vacuum clean.
