Minutes of Previous Meeting

The draft Minutes of the previous meeting were accepted as a true record of the meeting and duly signed.

Grading of Submitted Carpet Qualities

A total of 13 carpets were submitted for grading (including 4 for ECS) and a further 11 for ECS certification.

Other Business

The following points were mentioned:

- CIAL has commissioned slip resistance testing using CSIRO Highett
- Polyester trials at AWTA expected to be completed April / May
- Low DPF carpet vacuuming problems (refer to information on websites of CRI and Mohawk)
- GDR to be changed to identify low DPF carpet
- the sub-committee has very low pile height carpets under review.

Next Meeting

The next Panel meeting will be held at the Carpet Institute (Level 1, 493 St Kilda Rd, Melbourne 3004) on Wednesday 30/4/14 at 10am. There being no further business the meeting closed at 12.30 pm.

Signed *G. Harris* Date 30/04/14
