print editions

Easy, 24/7 access  
from any device

Search, filter, and  
compare instantly

Eco-friendly,  
interactive and  
easy to use

# What is the Carpet Index?

The **Carpet Index** is an useful tool for finding independently certified carpet names.

Is a trusted resource for the carpet industry, offering clear, consistent product names along with ACCS ratings and ECS certifications—making it easier to choose carpets with confidence in performance and sustainability.

## Features

- Lists carpets certified under our ACCS performance and ECS environmental scheme.
- Includes usability, manufacturer, product name, and more.
- Flexible subscription pricing to suit different needs.

# Better Online Experience

Filter by label, carpet name, company, ACCS Grading, ECS level, stairs, cut, loop, pile mass and fibre.

Label No	Carpet Name	Company Name	Registration Date	Contract Grading	Residential Grading	Stairs	ECS Level	Cut	Loop	Pile Mass	Base Fiber
25252	[REDACTED]	[REDACTED]	5/23/2025	★★★★ CEHD	★★★★★ REHD2	✓	0	0	100	542	NBA

Quickly compare products.
